Annual Escrow Account Disclosure Statement - Account History

The following is an overview of your escrow account with Shellpoint Mortgage Servicing. It contains the history of escrow payments made on your behalf in the prior year, and a snapshot of the anticipated disbursements for the coming year. Any potential adjustments due to increases or decreases with your escrow items may affect your monthly escrow payment. If your escrow payment increases, your monthly payment will also increase. If the escrow payment decreases, your mortgage payment will decrease.

Cushion Calculation: Because Shellpoint Mortgage Servicing does not set your tax amounts or insurance premiums, your escrow balance contains a cushion of \$629.56. A cushion is an additional amount of funds held in your escrow in order to prevent the balance from becoming overdrawn when an increase in the disbursement amount occurs. Your lowest monthly balance should not be below \$629.56 or 1/6 of the anticipated payment from the account.
